

**Title 10—DEPARTMENT OF NATURAL RESOURCES  
Division 20—Clean Water Commission  
Chapter 14—Concentrated Animal Feeding Operation  
Waste Management System Operations**

**IN ADDITION  
NOTICE OF SUSPENSION OF RULE**

**10 CSR 20-14.020(4)(B) Certification of Concentrated Animal  
Feeding Operation Waste Management System Operators**

*ACTION TAKEN: This NOTICE OF SUSPENSION OF RULE 10 CSR 20-14.020(4)(B) applies to the entirety of subsection (B) for certified operators of waste management systems for concentrated animal-feeding operations (CAFOs) whose certifications otherwise would expire during the suspension of this rule. 10 CSR 20-14.020(4)(B) requires that before a certificate will be renewed, the CAFO operator must submit suitable documentation that no fewer than twelve hours of department-approved renewal training were completed. Certification classes have been cancelled and postponed due to social-distancing requirements related to the COVID-19 emergency, and many professionals cannot obtain the minimum training hours during this emergency despite their best efforts. This temporary suspension will allow certified CAFO operators to renew their certificates without obtaining the minimum amount of renewal training that otherwise would be required so they can continue providing professional services for CAFOs.*

*EMERGENCY STATEMENT: Pursuant to Executive Orders (EOs) 20-04 dated March 18, 2020, and EO 20-09 dated April 24, 2020, the rule is suspended effective April 30, 2020 until June 15, 2020.*

*This in addition notice will appear in the June 1, 2020 issue of the Missouri Register.*
